SUMMARY

A highly motivated 3rd-year B.Tech Computer Science and Engineering student with hands-on internship experience in web development. Skilled in HTML, CSS, JavaScript, React and Java, with a strong foundation in frontend development, responsive design, and user experience optimization. Proven ability to build engaging, data-driven web applications through academic projects such as TravelXpert and Expense Tracker. Seeking an opportunity to apply my technical skills in a dynamic environment.

EDUCATION

BTech in Computer Science and Engineering
Mohan Babu University, Tirupati
Relevant coursework: Data Structures and Algorithms, Web Development, Object-Oriented Programming

Graduating May 2026
9.54 GPA

Sri Chaitanya junior college, vijayawada

TECHNICAL SKILLS

Frontend Development: HTML, CSS, JavaScript, React, Bootstrap
Backend & Databases: Node.js, Express.js, MongoDB
Programming Languages: Java, Object-Oriented Programming (OOP)
Development Tools: Git, Visual Studio Code, GitHub

INTERNSHIP EXPERIENCE

Web Development Intern : Remote

June 2024 – Aug 2024

- Developed a responsive restaurant website with an online menu and reservation system using HTML, CSS, and JavaScript.
- Improved website performance and user experience by optimizing UI components.
- Collaborated with a remote team to implement new features and resolve bugs efficiently.
- Used GitHub for version control to track changes and streamline collaboration.

PROJECTS

TravelXpert

Summer 2024

A travel recommendation platform built with HTML, CSS, and JavaScript.

- Designed a responsive UI with Bootstrap for seamless accessibility across devices.
- Integrated real-time data fetching to enhance user engagement.
- Collaborated with a team of developers and received positive user feedback.

Expense Tracker

Spring 2024

An interactive expense tracker built with React and MongoDB.

- Created a user-friendly dashboard for adding, editing, and deleting expenses.
- Integrated MongoDB for data storage and implemented REST APIs for backend functionality.
- Designed a mobile-responsive layout for enhanced accessibility.

CERTIFICATIONS

- Web Development Intern – Internship Studio (Aug 2024)
- Data Visualization Certification – Coursera (Feb 2024)
